

## Korean American Community Foundation Newsletter - Special Edition October 2011

Dollar a Day For Our Neigh

### Message From Executive Director

Dear Friends,

Today is a big day for KACF! We are putting the finishing touches on our Gala even as I write this. For us, the Gala is more than a fundraising event. It's an opportunity to tell you what we have been doing as stewards of your generosity, applaud the great work of our grantee partners, and celebrate the achievements of our community leaders.

I'm also thrilled to announce that KACF will be hosting a Town Hall meeting with NYC Mayor Michael Bloomberg and City Commissioners next Wednesday. This is the first time that Mayor Bloomberg is addressing specific issues of importance to the Korean American community in an intimate Town Hall setting. For those of you who are in the New York City area, I encourage you to come out and participate in this milestone event.

There are many updates that we want to share with you and we are preparing to send you a full October edition of our KACF eNewsletter later this week.

I look forward to seeing many of you tonight!

Best regards,

Kyung B. Yoon  
Executive Director
